

Hafod Farm - Herding Fun Days!

This is a very informal, no frills, day of herding training and working.

We can work on whatever you feel you need, but I may suggest other aspects that need attention

We will work morning and afternoon, with Q & A sessions at the start and during lunch.

Work sessions will be about 20-25 mins am and pm.

I have round pen, arena size and medium fields to work in, no long outrun practice possible.

Please choose your preferred day(s) rank in order

Cost for the day - \$80

Saturday, 29th April (added)

Sunday , 14th May

Sunday, 21st May

Saturday, 27th May

What is the level you compete or train at?

What are your goals for the fun day?

Some housekeeping details:

You will be signing a waiver on arrival.

Bad weather will cancel as good footing for sheep/dogs/people is important to me when training.

Parking will be tight.

You will have to bring your own food/snacks. Dog water will be available.

I can provide water for humans to fill personal containers.

Many food sources close by if you need anything.

Any questions ? pamdavies30@gmail.com

Return this completed sheet to me to reserve a slot, with check payable to Pam Davies

If you need to cancel, I will refund if I can fill the spot.

If weather cancels, I will return or destroy the check.
