

Peter Gonnet

Intermediate / Advanced Sheepdog Herding Clinic March 18/19, 2023

Having some challenges in your sheepdog training?

Need some new tools in your herding toolbox?

Ever say “I have a great dog if only I could fix “

Peter Gonnet from Outlook, Sask., is a well-known stock dog trainer, breeder, clinician and judge. Peter is a former community pasture manager who relied on dogs to move herds through grazing rotations. His experience in practical management of stock carries on to the farm and the trial field.

Peter believes the key to success is understanding the dogs mind and breeding strong dogs.
