

## FUN WEEKEND

### Turnaround Farm

Dave & Mary Ellen Young

32 Flanders Road, Sawyerville, Quebec

819-889-3276

A fun weekend will be held at Dave & Mary Ellen Young's farm on July 25th and July 26<sup>th</sup>. In accordance with the health guidelines for Covid-19 the number of entries for each day will be limited to the number of people allowed to gather on private property at the time of the event. At this time the limit of people allowed is 10 which would include the organizers of this event. This limit will be strictly adhered to and we may have to limit people to coming to only one day if necessary in order to allow everyone a chance to participate. **If anyone wishes to bring a friend/spouse with them please advise us because non-participants are counted in the maximum number of 10 allowed on our property at any given time.**

This is not a clinic but an opportunity for handlers with pro-novice, ranch, and open dogs to get together and work on our sheep.

Dogs must be up to date on all vaccinations.

All participants must agree to follow all health guidelines and travel restrictions in effect for the province of Quebec.

There will be a washroom with a hand washing station on site, everyone will be expected to wash their hands frequently.

There will be no tent provided to avoid people from congregating in a small area. Handlers will need to provide their own shade or weather protection, and maintain physical distancing at all times. If physical distancing is not possible, masks must be worn.

Handlers must bring their own food, water, chairs, masks, hand sanitizer, and shade. **Please indicate if you will be bringing a camper.**

The event organizers reserve the right to cancel this event by noon on Thursday, July 23<sup>rd</sup> if the weather conditions are forecasted to be unfavorable due to heavy rain or extreme heat.

Anyone with a cold, cough, fever, or any symptoms of illness will not be allowed to attend or participate in this event.
