

# How to get into the Big E and to the Sheep Dog Trial

Drive into the fair at Gate 1 from Memorial Ave. Show your parking pass there and then proceed around the outside fence to Gate 10. The Gate 10 parking will be on your right as you approach Gate 10. The parking area is usually pretty full but there's always space at the far end. Hang your parking pass on the rear view mirror. If needed, walk your dogs on the dyke that borders the parking area. You will need your entrance passes to enter the fair grounds at Gate 10. Get your hand stamped if you need to go back and forth from the car.
