AUGUST SUPPLEMENT

HANDLER & DOG OF THE MONTH

DEBBIE & BONNIE

by Lynn Deschambeault

There is a new team competing in the Novice Class. This team has competed in two trials so far. They were 5th their 1st time at the post; their 2nd time at the post they walked away with the winners cup. So, you say, what's the big deal, there are new competitors at lots of trials. The 'big deal' is that Debbie Merrill is 11 years old and just started working with Bonnie who's 3.

I had the opportunity to 'help' Debbie and Bonnie at a handlers clinic held prior to my trial. I was impressed by this young team's attitude and

their ability to put what they had learned into practice during the trial.

Outwardly, at least, Debbie and Bonnie were unbelievably composed and seemed to be nerveless during their run.

The only excitement Debbie showed was as she closed the pen gate at the end of her run her crook became airborne.

So, a word of advice, if you see a little freckle-faced girl go to the post with a black and

white freckled dog, WATCH OUT - she will try to and may succeed in beating you.

Editors' Note

This is the first in a series suggested by Lynn Deschambeault. We think that it is a great idea. Lynn has written the first of the articles. If any of you would like to contribute your thoughts on a handler or dog of the month, please let us know. We would be glad to help you with its composition or editing.

Lynn's suggested series will allow us to get acquainted with some of the handlers and dogs you read about in the trial results section of the newsletter. Let us hear from you on your thoughts.

EDITOR'S NOTES

On a personal note, we have talked to Walt Jagger, and he has asked us to let you all know how much he appreciated all of your best wishes as he recovered from surgery. He was back on the trial field in a little over a week. Amazing!

We are happy to report that all of the hubbub over qualifying the Canadian trials seems to have settled down. The Trials Committee has reached a

final agreement. As we reported in the July Supplement, Willow Bend is NOT a trial that will qualify for NEBCA Points. The Prince Edward County Open Trial DOES qualify for NEBCA Points (a correction from what we printed in July). We will, once again, print the entire list of trials that have been chosen as qualifying for NEBCA Points. We are hopeful that this will be the LAST correction we will have to print on this issue.

We are going out to print on this August Supplement right in the middle of trying to get ready to travel into Canada to participate in the Eastern Ontario Triple Crown. What a mess! Trying to pack, get the farm ready for someone else to care for, get this issue out.

On the bright side, we are looking forward to a week's rest from the pressures of our jobs, and Beth Ann and Lauren just love to go to the trials in the motor home. Sheep Dog trials *should* be

fun. For this family, it is a time for us to spend a lot of time together. For Gene, it is a time to engage in friendly, healthy competition, without all of the bitterness and petty rivalry that is rampant in the horse show business. By and large, Border Collie enthusiasts ARE friendly and helpful competitors. These editors are involved BECAUSE of the people, NOT in spite of them. We are hopeful that it can continue, or that the spirit can even be enhanced. Let us all work at it.

BITTERSWEET FARM SHEEP DOG TRIALS

Hampton, CT July 7-8, 1990

Trial Manager: Carol Campion
Judge: Bruce Fogt

This first year trial was well attended with 44 dogs going to the post in Open and 27 in 3 classes of Nursery trials. The judge was Bruce Fogt of Sidney, Ohio.

The weather was perfect - in the 80's and sunny with low humidity. The 250 yard course was hilly and was a challenge to these dogs and handlers. The sheep ran consistently throughout the day Saturday and were very accustomed to the course by Sunday for the Nursery.

On Saturday night after the awards ceremony, the handlers and guests enjoyed the lamb bar-b-que and dance.

The trial was well attended by the public also, there being 400 spectators throughout the day Saturday. The craft booths were usually full of buyers and the breakfast and lunch booths were an added treat. The final placings were:

MERLYNN KENNEL NURSERY TRIAL & CLINIC

East Conway, NH

July 15, 1990

The Merlynn Kennel Nursery Trial and Clinic was held July 15 at Nearfield Farm in East Conway, NH. We had a good turnout for the trial and clinic in spite of the 90 degree heat. I was very happy to see several new novice competitors with dogs that, I'm sure, we'll hear more of in the future! Unfortunately there were no Ranch entries, but in the 90 degree heat everyone was ready to call it a day.
