ALLEGHENY PLATEAU SHEEP AND WOOL FESTIVAL TRIAL

Norwich, NY Saturday, October 12, 1991
Hosted by O'Brae Farm - Gwen Cassel/John Viola
Judge: Tom Conn, Latrobe, PA

by Gwen Cassel

This was the first trial held in conjunction with a medium size sheep and wool festival held in rural, Central New York. Used to having demonstrations as part of their celebration, they were unprepared for the large response to an actual trial. In addition, due to a number of confusing issues, it almost seemed like the trial was not to be, as the site was cancelled on Thursday before, and then re-approved by Saturday morning. But the show must go on, and go on it did!

The trial started in the infield of a harness racing track at 10:00 a.m. The sheep were not allowed to cross the track before

that time, so there was no way to get them accustomed to their temporary location. This resulted in spooky, running sheep, with dogs needing to be on their toes and quick. Later, as the sheep got more accustomed to the routine, they became quite heavy and belligerent, and the dogs had to work to move them. Penning was not easy, but was possible.

The good-will spread by this competition is unmeasurable! Skeptical fairground site owners were impressed by the professionalism displayed by all - competitors, sheep handlers, dogs, etc. The Sheep and Wool Co-Op were pleasantly sur-

1991 NURSERY TRIAL POINTS

by Eve Marschark

We would like to take this opportunity to congratulate all of the handlers and their dogs for their participation in the 1991 season as well as their progress through the classes. NEBCA trial managers provided 14 Nursery Trials in the 1991 season in which over 100 dogs got their feet wet and were afforded the opportunity to learn how to run in competitions. We are most thankful to all of these trial managers. Not only do they allow young dogs to come up through the ranks without the pressure of the OPEN tasks, but they are our good will ambassadors welcoming in new faces to try their hands in a less threatening arena. Many thanks to all for a successful trial season!

Our new points system is taking some time to sink in and get comfortable. Many trial managers were confused as to what results to send in for calculation and so our tallies took us longer to publish than we had expected. Apologies for any inconvenience this may have caused. Most folks had a pretty good idea of where their dog stood. With 20 points to accumulate, many dogs could stay in their class for a longer period of time.

We would like to encourage more Nursery Trials for next year. Anyone interested in hosting a trial, please feel free to give one of us a call for advice and information. Have a rejuvenating winter. See you in the Spring!

**NEBCA ANNUAL MEETING
SATURDAY, JANUARY 11, 1992
GUILDERLAND CTR, NEW YORK
ALL MEMBERS ARE URGED TO ATTEND!**

EDITORS' NOTES

HAPPY HOLIDAYS from your editors!!

This is, probably, the most difficult time of the year for handlers and dogs alike. The days are short, we have to do our Holiday Shopping, and we still have to work for a living. How, then do you get out to exercise your dogs? We must all make the effort. Our Border Collies need the exercise; for without it they get restless and difficult to handle. They may even be picking up those bad habits that we try so desperately to avoid during the rest of the year. Do what you must, but do get out with your dogs, out of the house or kennel, so that you both can get rid of some of that stored up energy.

THE ANNUAL MEETING
-- Our Executive Officers have tried very hard this year to pick a place that is relatively mid-way for us all. They have done this specifically so that we can encourage you all to attend. There are some very difficult issues that must be faced, and we need all of the input and help that we can get from ALL of the members.

One of the most pressing issues is the raising of the Association's dues. You all received a ballot in the last newsletter. For those Family/Farm members who have not had a 2nd ballot sent to you, you are entitled to one vote for each voting member in the family. Please make a copy of the ballot (or a reasonable facsimile thereof) and send it in to Lynn Deschambeault.

Next is the issue of the Fall Foliage Championship and how to fund it. The ballot that went out tied these two issues together, and, in these editors' opinions, that was wrong. As fair as we tried to be when we put the ballot together last month, it was difficult to explain this question without sounding biased against it. We believe that the question should have been presented to you as two questions: 1. Should we increase the dues, and 2. Should we dedicate the increase to the Fall Foliage Trial? Whichever way you the members vote is up to you, but you still should vote. And, you can clearly expect that there will be a lot of discussion at the meeting.

Please try to come on out. After the business part of the meeting, there is time to enjoy lunch together and renew old

acquaintances. Come on out and show your support. Look for the directions and other details elsewhere in the Newsletter.

AMERICAN BORDER COLLIE ASSOCIATION VISITS NORTHEAST

by Steve Wetmore

The American Border Collie Association (ABC) was started in 1983 and, since then, has become the largest Border Collie registry in the U.S.A. It differs from the other two American registries in several ways:

- Every member has a vote in the Association business.

- It has a Board of Directors consisting of eleven members from all areas of the U.S.A. and Canada. Beverly Lambert is the Northeast Director.

- It is a democratic, non-profit organization.

- A portion of all registration fees is available to each state for Border Collie promotion purposes; the amount being directly related to the number of registrations from that state.

Every year the ABC holds its annual meeting in a different area of the country; in this way the Association actually comes to its members. Due to the efforts of Beverly Lambert and Roger Deschambeault, it was arranged for the ABC to come to NH for this year's annual meeting. Kathy and Roger Deschambeault graciously agreed to have their New Hampshire State Championship Trial host the meeting. So Saturday evening after a delicious dinner in the local Grange Hall, instead of the usual music and frivolity, the 1991 annual meeting of the ABC was called to order by President Robert Barlow who lives in Tennessee. The ABC Secretary-Treasurer, Patty Rogers from Mississippi was with him. Together they ran an excellent meeting, with President Barlow doing a great job of trying to give everyone who had something to say a chance to say it.

It was wonderful to have a nationwide Border Collie organization come to the North-

east for one of their annual meetings. It says a lot about the commitment of the ABC, to be responsible to its members, and also to try to get as many members as possible involved. A sincere acknowledgment is due to Beverly Lambert and to Kathy and Roger Deschambeault for the time and effort they put into making this possible.

Ed. note: Anyone wishing further information on the ABC can contact Beverly Lambert or Steve Wetmore for ABC pamphlet and membership application.

It's time to renew yearly ads. Please submit ads along with payment to your Editors by January 15, 1992. This will ensure that your ad will appear in all 1992 issues.

THIRD ANNUAL CUMBERLAND VALLEY OPEN SHEEP DOG TRIAL

Carlisle, PA

October 26-27, 1991

Allistair McRae - Judge

The Third Annual Cumberland Valley Open Sheep Dog Trial was hosted by Nathan Mooney at his farm in Carlisle, PA. The trial was well attended with a large crowd of interested spectators. Saturday dawned with a heavy fog, delaying the start of the trial for several hours. Due to the late start, the

last run of the day (Nathan Mooney with his dog Lynn) was held in near total darkness. Saturday's trial was followed by dinner and dancing at the local fire station. The course was large and challenging with a long cross-drive. The sheep were difficult to pen. The judging was tough but consistent.

 prised by the number of spectators, definitely up from other years. Spectators, most of whom are stock owners, were dazzled by the skill of both dogs and handlers. And John and I were awed by all our friends.

Thank you to all who helped throughout the day in many ways, who set-up the evening before, and took-down within minutes of the end of the trial in order to meet a deadline imposed by the site. And a good day was had by all!

O'BRAE FARM TRIAL

Columbus (Sherburne), NY Sunday, Oct. 13, 1991

Hosted by Gwen Cassel/John Viola

Judge: Tom Conn, Latrobe, PA

Held in a large, wide open, basket-valley field in the hills of Central New York, the morning runs had to contend with hard rain, afternoon with humidity, haze and building heat. Except for some of the older girls, the sheep (mixed groups of Corriedales, Montadales, Tunis, ewes and lambs), moved better on their home turf. A test for the dog, they were not impossible to handle.

formed by the intersection of two swales, and the entrance of the pen was centered directly over a (large) woodchuck hole! The sheep were easy to hold, and easily seen from the post. Outrunning to either side, the dog lost sight of the sheep while going around behind. Sometimes a dog came "up", somewhat off balance. "Fence runners" were picked up in the next county!

This somewhat large course used the natural terrain as much as possible. Two trees provided the fetch panels, the first drive panel was out on a peninsula

By the end of the day, everyone was talking about "next year", except maybe our hosts who need some time to recuperate!

Open Class - 31 Dogs Went to the Post

1. Cheryl Jagger-Williams	Nell	86
2. Pat Buckley	Bart	79
3. Eve Marschark	Spin	77
4. Walt Jagger	Jill	76 (tie - outwork)
5. Mike Canaday	Jill	76

7. Mike Canaday	Sandy	70
8. Eve Marschark	Rin	68
9. Amanda Milliken	Jack	64
10. Pat Buckley	Dice	64

Like the Open Class held later in the day, these classes were held in an open, hill field. There was quite a bit of rain with which to contend, and a large

course, with sheep that knew where they were. Dogs were tested by the sheep, and both dogs and handlers, mostly successful, showed what they were made of! Thanks for coming!

MAPLEWOOD NURSERY TRIAL

Colchester, CT

November 10, 1991

by Carol Campion

This was the first year of this nursery trial and, despite horrible, cold, rainy weather on Sunday and strong, cold, gusty winds on Saturday, we had a good turnout and a lot of fun.

The nursery trial on Sunday was preceded with a handling clinic on Saturday. The clinic was led by the very knowledgeable and entertaining Vergil Holland of Hobart, NY. Vergil has been successfully training and trialing Border Collies in

the East for many years. Of the 16 dogs participating in the clinic, 15 ran in the trial on Sunday. Eight of these ran in Novice-Novice for the first time. It was an excited group, embarking on their first voyage together! The benefit and success of the clinic is reflected in the high scores in this class. All of the handlers and their dogs did a wonderful job on these flighty sheep.

Results as follows:

Novice-Novice

1. Bob Thrasher	Cash	82.5
2. Jo Ann Krause	Meg	73.5
