THE SUMMER SOLSTICE - NOW IT'S NICE UP NORTH

Agility

by Nancy Crowley

The BC Wins Everytime - Babbitt going over a brush hurdle

Derived from equestrian events, the dog sport of agility came to the United States from England. The United States Dog Agility Association (US-DAA) established itself in 1986 in Richardson, Texas. All dogs - purebred, mixed, neutered or not may participate.

Some of the obstacles involved in agility are "contact ones", such as the see-saw, A-frame, dog walk, cross-over and A-ramp. These obstacles have contact zones which must be touched as the dog starts the obstacle and before the dog leaves the obstacle. All dogs regardless of height/size use the same contact obstacles.

The obstacles dogs jump into (e.g., table); over (e.g., hurdles, spread/parallel hurdle) and through (e.g., tire) change in height according to the dog's size at the withers. Most female Border Collies hurdle 24" and 48" on long/broad jumps. Most males fall into the 30" hurdle and 60" long/broad jump class.

Other obstacles include:

- Pipe tunnels, which must be a minimum of 10 ft.
- Collapsed tunnels, which have a collapsed chute at the end.
- Weave poles are poles in a row, through which dogs must weave. Weave poles must be entered on the dog's left side.

Connecticut Sheep Breeders Annual Field Day Vernon, CT

April 24, 1993

by Dayle Hamilton

The Conn. Sheep Breeders Annual Field Day and Sheep Dog Trial was held April 24th at the Tolland County Agricultural Center in Vernon, Conn. The judge was Walt Jagger of Hop Bottom, PA.

Sixteen handlers and 34 dogs were ready to go after a winter layover. The sheep on the other hand were not as ready and showed from the start they had

no intention of cooperating in any way. Both dog and handler had to work and then some for every point they got, and many runs came to an abrupt end with a "Thank you" from the judge when the exasperated dog decided to move the sheep in its own way.

For the second year in a row the winner was Becky Peterson and Roy. Rounding out the top 10 were:

ALTAMONT, NEW YORK**

(Note Trial Date Change: July 3-4-5)

EDITORS' NOTES

As editors of the NEBCA NEWS, we have the prerogative to air our concerns with the goings on within NEBCA. As members, you have the right to read what we have to say or ignore it. You also have the right to send us constructive articles on any area of Border Col-

lie activity you want. As an editorial policy, we do not publish letters to the editors, but if there are any redeeming qualities in a letter, we may choose to edit it into an article. So, here is our topic for this month:

As most of you can attest, these editors have long been proponents of taking steps to

promote responsible breeding programs among the breeders of Border Collies in the Northeast. Well, the members present at the annual meeting have agreed with us, and a committee has been established to study the problem and to make recommendations to the general membership, chaired by Michael Dathe. At this point, I am sure

that Michael regrets ever having accepted this job -- he is being twisted, pushed and pulled by everyone within our club that would like the recommendations to come out in their favor,

Minutes of Meeting - Cummington, MA May 29, 1993

President Dick Williams called the meeting to order at 5:30 p.m.

Barbara Armata presented a brief Treasurers Report, stating payment had been made for the 1994 Calendars in the amount of \$2957 and also to All American Trophy for the 1993 Nursery awards in the amount of \$401.54. The remaining balance for the NEBCA Treasury is \$6011.

Secretary Kathy Deschambeault reported on the current NEBCA membership statistics. From January 1993 to May 1993, NEBCA grew with 44 new members. There are a total of 355 current members including 40 that make up the Breeders Directory.

These reports were accepted as read.

Fall Foliage Championship

Carol Campion reported that this committee is presently researching possible locations.

Steve Wetmore made a motion to appropriate no more than \$500 for Denise Leonard (who is traveling to England) to purchase practical gift awards for the championship. This motion was defeated.

NEBCA Library

Lin Reuther announced the addition of two new books, "A Dog's Life in the Dales" by Katy

Cropper and a second copy of Glyn Jones' "A Way of Life", to the NEBCA Lending Library. Also a video tape of "One Man And His Dog" is now available. Due to the interest our membership is expressing on Search and Rescue and Agility, Lin agreed to look into available books on these subjects.

Editors Report

Gene Sheninger urged all Trial Managers to send in their trial results with a writeup if possible ASAP for publication in the NEBCA News.

Pamphlet Committee

Gene Sheninger and Kathy Deschambeault presented possible set up changes. 1) New set up displaying the versatile Border Collie or 2) restrict the pamphlet to herding and trial work. After much discussion, Carol Campion made a motion to reprint the old pamphlet and that Gene and Kathy work with the Board of Directors on a new layout and reprint production to be presented at the Annual Meeting.

The motion was seconded and passed.

Hip Dysplasia Committee

Michael Dathe updated the members present on the progress of the Hip, Eye and Breeding Committee. This committee will work with the Board of Directors and Execu-

tive Committee in continuing their research.

Eye Clinic

Dee Woessner reported that the Eye Clinic held with Dr. Donovan was a big success. A total of 84 dogs, including other breeds, were checked. As a result, problems were discovered with five dogs.

Becky Peterson made a motion that the \$50 surplus be returned to the American Border Collie Association to reserve for future projects. The motion was seconded and approved.

Trials Committee

Becky Peterson announced all trials have been approved and will be published in the next newsletter. Becky also reported on a request by Mike Canaday to extend his July 4th trial from a 2 day to 3 day - July 3-4-5, 1993 of Nursery and Open. The Trials Committee felt this was an acceptable request and approved it as such.

Becky requested approximately \$36 reimbursement of expenses incurred by the Trials Committee which include postage and telephone expense.

President Dick Williams accepted the motion to adjourn the meeting at 6:20 p.m. The next meeting to be announced.

Respectfully submitted,
Kathy Deschambeault
NEBCA Secretary

President's Message

by Richard Williams

Our first summer meeting of NEBCA was held in Cummington, MA at the Sheep & Woolcraft Fair Dog Trial. It was an exciting trial and so was the meeting. It became quite evident that there are many strong feelings within an organization such as NEBCA. It is also important that these feelings be expressed.

I think it is essential that we, as members, understand the organization's responsibilities and powers to be. In brief, NEBCA's existence is to promote the working Border Collie. We cannot, as an organization, place requirements nor police the development of the breed. However, we can do our best through our organization to educate the public, breeders and potential puppy buyers of the problems that exist in our chosen breed.

At our Annual Meeting, one of the committees that was established was a committee to research the genetic problems of Border Collies, such as hip dysplasia and eye disease. The committee was also instructed to establish guidelines for breeding. The committee chairperson is Michael Dathe. Its members include: Jill Parker, Fran Wheeler, Beverly Lambert,

Bea Quirk, Nanci Deschambeault, Dee Woessner, Denise Leonard and Dave Murray. Members of this committee are presently researching their assignment. Input from the general membership is requested to assist them in their project. The completed guidelines will then be presented and voted on by the membership. Hopefully, the results of this committee will further assist in the development of the Border Collie.

Also at Cummington, an eye clinic was held. Dee Woessner chaired this project for NEBCA and the event came off with excellent results. This in itself is one of the many ways that NEBCA can influence the breed.

The next NEBCA meeting will be held over the weekend of July 4th at the Northeast Independence Day Trial. The purpose of this meeting will include committee report updates as well as any new business.

With the trial season now in full swing it is once again exciting to have the opportunity to compete and talk about our breed. Your participation, as well as your membership, is vital to the success of our organization, both of which are appreciated.

Sydenham Sheep Dog Trials

Sydenham, Ontario - May 22-23, 1993

by Barbara Means

The sun was warm, the winds chilly and the hospitality gracious when J.P. and Angela Lalonde welcomed handlers to the Sydenham Sheep Dog Trials May 22 and 23. The trial field was in top condition as were the Outaouais Arcotts. Everyone had three lively and fairly even sheep of this purebred Canadian breed. They were particularly reluctant to enter the pen, and

those who managed the feat felt they had met a challenge successfully.

One of the four sponsors, "Steve & Anne Pet Stuff", donated money to be given to the top three in the novice classes to encourage beginning handlers. What a pleasant surprise! Judging was ably done by Karen Greenlees (Novice) and Mike Canaday (Open).

NEBCA Library

by Lin Reuther

Now that spring has finally arrived, it's also time to get around to borrowing that video or book you've been meaning to - a perfect way to get you motivated and tuned-up for training and working those BC's!

The Library has had an active winter and I look forward to even more borrowing this spring and summer! We now have multiple copies to shorten the wait on our most popular and useful items: Glyn Jones' book, "A Way of Life" and video "Come Bye! And Away!" and "That's Do!", plus the Rural Route Video.

New Holdings:

Book - just off the press: Katy Cropper's "A Dog's Life in the Dales", subtitled Winning Ways with Working Dogs by the 1990 Champion of "One Man and His Dog". Looks like a great book, quite readable with lots of personal stories as well as a section describing her method of dog training. Would anyone do a review for the newsletter?

Videos - We now have the Scott Lithgow video, "How to Get the Most from Your Working Dog" - companion to his

book, "Training and Working Dogs". Also, the video filmed in South Africa, "The Sheepdog Video - Training and Handling of the Sheepdog for Better Management of Small Stock." And, "One Man and His Dog 1990" and "One Man and His Dog 1991" with part of the 1989 International.

So lots of good stuff to watch and read. Let me hear from you!

Lending Library Rules

1. Videotapes are \$3.00 each (\$6.00 set of 2, \$9.00 set of 3); you may borrow just one video from a set. Videos are lent for 2 weeks.

2. Books are lent free of charge, for 3 weeks.

3. Borrower pays return postage.

4. Only one book or video (or set) out to a person at a time.

5. Overdue fines are \$.10 per day.

The Star Borders-An Obedience Team

by Jan Kubas

From L-R: Captain - * Shane McConnell & U-CDX Pepperland Jocund Jared U.D. "Laney"; * Vickie Hays & "rescue" Candlewick Dreamvalley Pete C.D. "Pete"; * Kathy Gmitter & "rescue" Leah "Leah"; * Jan Kubas & U-CDX Applegarth's Joyous Garde U.D., H.C., C.G.C., T.D.I. "Kastle" and our up and coming "future" Star Border Applegarth's Chivalrous son of Applegarth's Joyous Garde "Duncan".

Pete and Leah were both rescued from bad homes and are doing super with their new homes. Shane McConnell and Kathy Gmitter run the Independent Border Collie Rescue out of the Cleveland, Ohio area. Our team has been very successful placing in several trials including Baltimore, MD - Oriole Dog Training Club and Columbus, OH - Columbus All-Breed Training Club Trials. We also do exhibitions and pro-

mote the working Border Collie at various functions such as The Ligonier Highland Games and the Westmoreland Obedience Training Club open house at a local mall. All four dogs are also working farm dogs. Kastle is a licensed therapy dog. As you can see, there are many things a B.C. can do! We all also do agility and tracking too! This is a very versatile breed that can do it all!

Upcoming Clinics

This listing is provided as a service to NEBCA members but in no way represents an endorsement of the trainers or sponsors of these events by NEBCA News or the Northeast Border Collie Association.

September 18-19, 1993: Cheryl Jagger Williams Training Clinic, Mt. Airy, MD. Contact Nancy Starkey (301)253-4732.

October 16-17, 1993: Stockdog Clinic with Jack Knox - Advanced level at O'Brave Farm, Sherburne, NY. Contact Gwen Cassel/John Viola (607)674-4541.

The NEBCA Lending Library has generally been functioning quite smoothly. We are dependent upon people returning books and videos promptly so that other people may borrow them without too long a wait. There is generally a waiting list for most videos and some books. A big thank you for all our members who have been so good about following the rules!

Unfortunately, there has been one glaring exception to this. A NEBCA member couple who lived in Cape Cod borrowed our most popular set of tapes, the Glyn Jones series, last March and has not returned them yet despite reminder letters and phone calls, and promises on their part that they had already sent back the tapes. Now the couple has moved to southern Virginia and I fear we will never see our tapes again. That, of course, hurts all of us - the general membership for having to buy another set, and the people who have been waiting to borrow them. So please - use the Library - borrow our training materials - but please return promptly! Thanks.

Agility *continued*

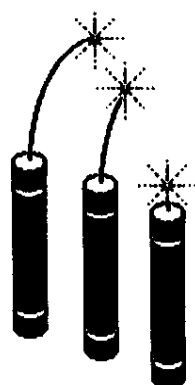

- Pause box, which is a defined 4'x4' area that dogs go into and, just as with the table, they must lie down, elbows touching the surface they are laying on, for the count of 5 seconds before they can continue the course.

Though not common in the United States, other obstacles are the water jump and wishing well, which are variations of long/broad jump.

The level the dog is working on (starter/novice, advance, masters) determines how many

obstacles are to make up the course to be run. If the course is done flawlessly, you get a "leg" toward a title. Ribbons can be taken on less than a flawless run.

Handler control is essential as you are running against the clock; dogs are scored on their ability to negotiate obstacles with confidence and - agility.

or that have a particular opinion. Worst of all, the pressures seem not to be constructive, rather they appear to do nothing more than demean his and his committee's efforts. It is true that many of the suggestions or questions that his committee has received are extremely radical and cannot be accepted. It is also true that NEBCA cannot become a policing organization, but it can be an educational one. For example, we can publish a list of all dogs AND THEIR PARENTS who have successfully passed the tests for eye and hip problems. So, how about a little support for Michael from all of us, AND how about a little constructive direction that is

geared towards the betterment of the Border Collie and not to a what might be best for a particular individual. **DON'T GIVE UP MICHAEL, THE BORDER COLLIE AND OUR CLUB WILL BE THE BETTER FOR YOUR EFFORTS.**

In the last issue we were remiss in not mentioning the new NEBCA News logo. Our thanks go to Sally Lacy for creating it for the newsletter. We hope you all like it as much as we do.

See you at the trials!
