## HAPPY NEW YEAR Its Annual Meeting Time Again!

***This years annual meeting is scheduled for Saturday, February 11th, at 10:00 AM at the farm of Mike and Pat Canaday in Altamont, New York.***

The New Year is upon us and it is once again time for our annual meeting. As you all remember, last years event took place at the farm of Mike and Pat Canaday in Altamont, New York. Last years annual will be remembered by many because of the hospitality of the hosts, the comraderie of the attendants and the extra events slated to take advantage of the winter weather and Mike's great love of sledding.

This year we are once again fortunate to have the same great location available. Mike and Pat have again extended us their welcome. We will be meeting to take care of business and there will be other events for both winter weather lovers and kids to enjoy.

The meeting will be called to order by our President, Gene Sheninger, at 10:00 am. We will once again be breaking for lunch with the meeting continuing after lunch. During the meeting, there will be events for the children planned. These will include seasonal outdoor activities, weather permitting.

Pat will be generously preparing the main course, ham & turkey, and would like the members to each contribute a side dish, salad, bread, casseroles, dessert, etc. ***Please call Pat at 518-861-6049*** to let her know if you will be attending and what you will be bringing to the pot luck. This will make the task of planning much easier for her. Also, let her know if your children will be attending. (We are asking for donations to help defray the cost of the turkey and ham.)

This years meeting will focus on electing a new slate of officers, as well as addressing the request for Maryland to be included in the NEBCA area. These will require a vote by the membership, so please plan on attending so that we may have your input.

**Breeders Directory\*** This listing of breeders of Border Collies is for informational purposes only and in no way represents an endorsement of these breeders by the Northeast Border Collie Association. When making inquiries for purchasing a pup, NEBCA strongly recommends selecting from sound, proven, working stock. We suggest you see both parents work. If you are not able to see the parents working at the farm, do attend the trials and see them working there. Watch for trial results and seek the advice of experienced handlers. \*Not all breeders listed here are handlers.
