Class Order

Saturday - Ranch, Novice Novice, Pro Novice

Sunday ProNovice Novice Novice Ranch

First Handler's Meeting (Ranch on Saturday, ProNovice on Sunday) at 8 am

PLEASE PLAN TO ARRIVE AT THE FARM AT 7 AM SO THAT EVERYONE HAS PLENTY OF TIME TO GET UP THE HILL AND SETTLED.

RV CAMPING will be at the training field (for those of you who know the farm)

The precise link for the entrance to the training field google maps is

<https://maps.app.goo.gl/oVMP9UcrJTexxPjQ7> For the farm itself use 226 Kurkul Rd Westminster, VT

There will be signs by the training field entrance and at the bottom of Kurkul Rd.

If you are towing, I highly recommend that you come in from the south end of Morse Brook Rd as coming from the north end is a very curvy dirt road. If you are car camping, you are welcome to camp up top.

There will be a porta potti both by the training field where RVs park and up top..

For folks who need a ride up the hill, we will swing by to collect people, dogs and their stuff.

LOWER PARKING

About 8 parking places will be available near the barn on Saturday. That may be all that we need! Any late comers/overflow can park at the training field with the RV/Campers. Available places will be marked! Please do not park elsewhere as other activities will be going on at the farm and we need to move equipment around. There is a porta potti near the yellow house and barn.

DRIVING UP THE HILL

All major bumps are marked with a t-post capped with a cone on the right hand side as you drive up. Please go slowly and stay on the road. There are several places where traffic coming down hill can pull off if needed to pass. Rules of the road in the morning is that staff coming down will pull off to the side. The reverse will happen in the afternoon.

PARKING UP TOP

Please park ONLY in designated areas. Do Not Drive across fields (that is the sheep's dinner). There will be some shaded spots on the right just before you reach the big opening (long walk to the trial field and sloped) and the rest by the cabin are not in shade. PLEASE NOTE THERE ARE PLACES ASIDE THE ROAD WHERE THERE ARE DRAINAGE DITCHES that aren't obvious. SO STAY ON THE ROAD!!!

For folks who need a ride up.

We will have 2 side by sides and a crew cab pick up with crates to ferry people up. We can ferry all stuff up as well. Chairs Tents Crates. We will pick people up both at the Camping area and the Barn area.
