

MBF Trial information July 26/27

Getting here. Camping etc.

The farm address is 226 Kurkul Rd Westminster, VT 05346 (sometimes GPS says it is Putney :)
- only Kurkul Rd in the US so you are pretty safe)

The actual entry to parking for camping and day camping and the trial field is off Morse Brook Rd at the link below. Approximate address is 400 Morse Brook Rd. There will be signs. It is a somewhat narrow entry but I take my 17 ft livestock trailer in and out so anything shorter than that should be fine. If you have something bigger for camping please send me an email and we will see whether it will be a comfortable fit.

There will be a porta potti at the field.

RUN ORDER:

Saturday: Ranch, Novice-Novice, Pro Novice

Sunday Novice-Novice, Pro Novice, Ranch

SATURDAY POTLUCK on the Patio

There will be a potluck at 5 pm on the patio at our house (with a view of Mount Monadnock). All are welcome. Will provide plates etc, a gluten free main dish, water, otherwise bring your own beverage of choice. Let me know if you might be coming (no hard commitments - just to make sure I have a head count). If you want to stick around but aren't camping we may give you some afternoon fun options (swimming hole to go to, suggested hikes etc.)

TRAINING FIELD off leash area.

PLEASE keep your dog on leash at ALL TIMES except when running or your dog is working the trial. There is a fenced area where you can run off leash. WE HAVE LIVESTOCK GUARDIAN DOGS. They will NOT appreciate your dog off leash.
